Beautifully Crafted

Our designers and stonemasons constantly push the boundaries of what is possible in your home producing beautifully crafted fireplaces using Natural Stones that mellow with age.

Natural Stone is a blend of elegance, durability and style direct from Mother Nature. It is most appreciated for its timeless qualities.

The distinctive beauty of Natural Stone can add elegance to your home. Its true beauty is unique, with a wonderful array of colours, tones, textures and beautiful patterns, varying from surface to surface, making each fireplace unique. The earth itself is the best manufacturer for materials that are as stunning as they are *durable*.

At our showroom, you can choose from a large range of Natural Stone, and we believe to appreciate it's beauty it is a must that you come and see it for yourselves.

Every effort has been made to ensure the accuracy of the natural stone. However, customers are advised to see actual samples at an authorized FireCraft stockist. FireCraft reserve the right to change specifications or withdraw products featured without prior notice.
